How will this Virtual Troop Meeting Work?

- On the right side of your screen, there is a control panel. You should see a microphone, a video camera and a chat bubble.
- When we sing together, you will want to click on your microphone so it is green. Then everyone will be able to hear you.
- If you have a webcam, clicking on it will let everyone else in the meeting see you too.
- The Chat Log looks like a cartoon thought bubble...see it underlined in red? You can type questions or comments into the chat log and everyone will be able to see what you write!

Needs vs Wants

Buyers Remorse

Buyers remorse is the sense of disappointment people sometimes have after buying an expensive item.

Sometimes we convince ourselves we need something, like the latest video game or new sneakers, only to find out later that we didn't really need it.

Shopping Scenario #1

Girl wants to buy a computer. A computer sales person tells her a newer model is coming out soon. One of her friends has the computer she wants and says it has problems. What should she do?

- A. Wait for the new model
- B. Buy this model now

Shopping Scenario #2

Girl sees really trendy and expensive shoes she wants to buy. Her mom won't let her because they are pricey and she knows they'll go out of fashion soon. But the girl gets money from her aunt to buy the shoes. Does she buy them anyway? Or save her money for something else?

- A. Buy them, that's why her aunt gave her the money.
- B. Save the money for something else— Mom is probably right, they'll go out of style soon

Shopping Scenario #3

Girl needs to buy back-to-school supplies that cost \$30, but her mother only gives her \$20 to spend. She has babysitting money but wants to save that for other things. She needs to decide if her babysitting money will go to the supplies or if she can find another solution.

What does she do and why?

- A. Search for coupons for school supplies
- B. Shop at a discount store instead
- C. Go through her old supplies to see if she can re-use anything
- D. Spend her baby-sitting money to make up the difference

Make a Plan

Make a list of your needs and wants.

Think about whether each item is a need or a want, and what each costs.

Think about how each item will help you or make you feel.

Discuss the items with your parents/guardian.

Decide which item or items you will plan to buy.

Do you already have enough money? If not, how will you earn more?

Closing

**Make new friends,
But keep the old.
One is silver,
And the other, gold.
A circle's round
It has no end
That's how long
I want to be your friend.**

Thank you for joining us!

We hope you come back for
another Virtual Meeting next week!
